**Article 13, Data Protection Regulation 2016/679 - GDPR**  
**Effective Date: 24/01/2024**  
**Version n.: 1.0**

**Data Controller**

Pursuant to Article 13 of the EU Regulation 2016/679 (*GDPR*), **ISS Global Forwarding One Person Company LLC** (hereinafter “**ISS**”, or “**Company**”, or “**Data Controller**”), processes personal data from Users visiting and interacting with the Company website ([www.iss-globalforwarding.com](http://www.iss-globalforwarding.com)).

**Cookie used in ISS website**

Cookies allow the website to remember user's interactions and preferences (for example, login data, chosen language, font size, other display settings, etc.), in order to avoid being requested again when the User returns to the site or navigates from one page to another of it.

Cookies can be classified into any one of the following categories:

- “**Strictly Necessary**” cookies are necessary for the website to function properly and cannot be switched off. They are usually set only in response to actions made by Users which amount to a request for services, such as setting privacy preferences, logging in or filling in forms.
- “**Analytics and Performance**” cookies allow the Company to track analytics by counting visits and traffic sources to measure and improve the performance of ISS website. They may be set by ISS or by third party providers (e.g., Google) to help the Company to obtain relevant usage information and improve the performance of the systems.
- “**Functional**” cookies enable the website to provide enhanced functionality and personalization based on users’ interaction with the website.
- “**Targeting**” cookies may be set through ISS website by Company’s advertising partners. They may be used by those companies to build a profile tracking users’ respective online activity to send advertising.

To view a list of the cookies that are used by the Website, please refer to the table reported below.
